

DAVID JONES

FACTORY LIST

Given our standing as an iconic Australian retailer, David Jones has an opportunity to play a positive role in improving social, ethical and environmental standards along our supply chain. With this in mind, we are committed to building a credible ethical sourcing program that creates positive impact along our supply chain and establishes David Jones as the ethical choice for consumers.

David Jones is committed to becoming a leader in ethical sourcing and as such we have decided to publish our factories to demonstrate our commitment to transparency.

This list includes the names, addresses, product categories and worker statistics of sites engaged in the manufacture of our goods.

All sites listed are included in our Approved Factory Program and our team works closely with all suppliers and factories to continuously implement improvements.

By releasing this information, we aim to provide customers with greater insights into our supply chain.

All sites listed are correct at the time of publishing, and due to the seasonal nature of the retail industry this list is subject to change.

* Data Not Captured: we are working to close this data gap through updated audit reports and working back with our supply partners.
