## DAVID JONES PARTNERS WITH DESTINATION CANADA & QANTAS TO BRING TO LIFE SS22 'WONDERWORLD'

David Jones has today revealed its Spring Summer 22 Wonderworld campaign, **Natural Wonders** calling us to dive into the wonderful, big wide world that surrounds us. Eyes wide open.

The glorious landscapes of Whistler, Canada, with its gushing waterfalls, crystalline lakes and legendary mountains, bring the **Natural Wonders** theme to life as a powerful canvas for the bold, bright fashion, the exciting, unforgettable shapes and the joy of endless possibilities ahead.

The new season brings a reverence for the natural world and our place within it. David Jones partnered with Destination Canada and Qantas to bring the campaign to life and will promote Canada as a place for all-year travel to its premium customer base across in store and [davidjones.com](http://davidjones.com)

Indian-born, now New York based supermodel Pooja Mor fronts the campaign, photographed by renowned Australian photographer Issac Brown. After being hand-selected by designer Nicolas Ghesquière for the Louis Vuitton Cruise 2016 fashion show, Mor's runway debut cemented her place in the industry, going on to walk for the likes of Alexander McQueen, Bottega Veneta, Givenchy, Khaite, Oscar de la Renta, Marni, Rodarte, Simone Rocha and Zimmermann. Being an avid hiker, Mor was equally at home in Cheakmus surrounds as she is global runway stage. Mor will feature in 'Wonderworld' imagery and film throughout David Jones stores and digital channels and will also appear on the cover of JONES magazine edited for the first time by JONES new Editor in Chief by Philippa Moroney.
